

Kirkland and District Hospital

Working Together To Meet YOUR Health Care Needs

- KDH recommends no more than two visitors per patient at any time, provided visitors do not become intrusive to the privacy of others.
- Children under 12 years of age must be accompanied by an adult and supervised at all time.
- Please check with the nursing staff to discuss visiting options for special care areas (e.g. ICU, Palliative Care).
- The Main Entrance to the hospital will be locked between 8:00 pm and 7:00 am daily.
- Visitor restrictions will be implemented in specific circumstances such as outbreak or emergency situations.
